**NEW YORK** (January 21, 2012) – Nardello & Co. is pleased to announce the arrival of Rana Feghali as Director in the firm's new Dubai office. She is an expert in conducting investigations throughout the Middle East and North Africa where she has lived, worked and traveled extensively.

Rana joined Nardello & Co.'s London office in 2010 and managed numerous investigations, including a wide range of pre-transactional and third party due diligence, anti-corruption and internal investigation projects, litigation support matters, and asset searches. She has also spoken on the risks of doing business in the Middle East and North Africa at international conferences.

Having lived in the Middle East for many years, Rana draws on her experience and her fluency in Arabic and French to assist clients with understanding the local business environment. Rana began her career as a journalist at Arab newspapers in Lebanon and the UK, notably Asharq Al-Awsat. She undertook research on business and political developments in Saudi Arabia and the wider Gulf region. Rana is a graduate of the American University of Beirut, Lebanon, and the School of Oriental and African Studies at the University of London.
